

REMARKS

In the Office Communication, the Examiner has noted that the applicants' Preliminary Amendment of June 17, 2005 contained an error with respect to certain deleted text. On page 2 of the applicants' Preliminary Amendment of June 17, 2005, the applicants inadvertently indicated the deletion of text that did not appear in the specification. To correct the error in the Preliminary Amendment, a Substitute Specification is provided herewith. Applicants respectfully submit that their Substitute Specification addresses the error regarding the erroneous entry in their Preliminary Amendment. No new matter has been introduced in the Substitute Specification.

The applicants respectfully request entry of this Substitute Specification.

Respectfully submitted,

/Jasper W. Dockrey/
